

EDU 3.0 Final Forum

26. September 2024 • Tallinn (Estonia) • European Design Upgrade 3.0

This hybrid event from Tallinn (Estonia) wraps up the EDU 3.0 programme. The Final Forum will also be accessible online via Zoom for all registered guests – see link and QR code below.

We invite architects, engineers, designers, students, urban planners, and professionals from the modular and wooden construction industries to participate – free of charge.

Join us for the Final Forum of the EDU 3.0 programme!
